

DECLARATION OF CONFIDENTIALITY

WHEREAS

- a) In the areas in which it carries on its business, INESC TEC holds basic technological information (know-how, industrial patents and intellectual property rights), which information it undertakes to maintain confidential, this obligation being extensive to its employees and such other persons as may, in any form or manner, have access to such information as may be transferred;
- b) INESC TEC, as the owner of multiple rights concerning products that are the result of research and development, requires to safeguard the confidential nature of such rights so that it may assume obligations unto third parties concerning the rights of the latter;
- c) Professional ethics concerned with the scientific research are based on the prior, clear definition of rights and duties by the entity responsible for the investigation, which rights and duties are incumbent upon its collaborators, as are those obligations that it assumes towards third parties, in such a manner that the said collaborators become fully identified with the said rights and duties;

I, **(Name)**, I.D./Passport number N7872794 , issued in 31.03.2016, valid until 30.03.2026 , do hereby state that I am fully aware of the above and consequently

DO SOLEMNLY DECLARE THAT:

- 1. I shall not, by any means whatsoever, disclose nor make use of any or all of the information to which I might have access by virtue of the ties linking me to INESC TEC, save to the extent that this may be required for the strict exercise of my tasks at INESC TEC;
- 2. I shall maintain confidential such information, products, materials, prototypes and technical documentation as may form part of the know-how that belongs to INESC TEC or may have been entrusted to INESC TEC by third parties, and I shall make no use of it outside my place of work, save in those cases in which express permission shall have been granted by my direct superior and in every such case just for the purpose of developing work to be carried on at INESC TEC;

3. I shall make no unauthorised copies of magnetic media, nor of manuals of software products that belong to INESC TEC or that have been entrusted to INESC TEC through technological co-operation agreements, except in such cases in which written permission has been given by my direct superior;
4. I shall make no claims for myself in respect of such rights that have the nature of assets as may result from my participation in INESC TEC task groups or may, in any way, result from the co-operation between myself and the institution;
5. The provisions of this present undertaking and in particular the restrictions contained in points 1, 2, 3 and 4 of the solemn declaration will continue in force during a period of five years after the termination of the ties linking me to INESC TEC, unless, in the meantime, the rightful ownership of the technical information shall have fallen in the public domain or its disclosure have been duly authorised; and
6. Non-compliance with the obligations laid down in this undertaking will imply the immediate termination of the ties that link me to INESC TEC.
